6. This application has been completed by _____
owner(s) of certain real property in _____ County, State
of Indiana being more particularly described as follows:

It is understood by the owners that the above described real property lies in close proximity to an operating airport and that the operation of the airport and the landing and takeoff of aircraft may generate high noise levels.

Notification of this structure must be given (by certified or registered mail with return receipt requested) to any public use airport located within a one (1) nautical mile radius of their proposed noise sensitive use structure. This notification must include the following:

- name, telephone number, and contact person of the applicant,
- name, telephone number, and contact person of the INDOT,
- name, telephone number, and contact person of the plan commission with jurisdiction over the site,
- the location and legal description of the site,
- the proposed height of the structure, and
- if the FAA was notified, the aeronautical study number that the FAA has assigned to the structure.

The permittee acknowledges for itself, its heirs, its successors, and its assigns, that the real estate described in this permit experiences or may experience significant levels of aircraft operations, and that the permittee is erecting a building designed for noise sensitive use upon the real estate, with the full knowledge and acceptance of the aircraft operations as well as any effects resulting from the aircraft operations.
